Art Competition

What is the competition?

The 'All We Need is Lunch' Art Competition has been launched by UNISON, the public service union, to highlight the benefits of nutritional, free school meals for all children in NI. The competition is open to all children and young people up to the age of 19*.

UNISON is encouraging parents, schools, youth clubs and other childcare settings and youth organisations to engage with children and young people and to support them to use the visual arts (a drawing, a painting, a poster, a photograph or a collage) to explore what school meals mean to them.

For example, the young artists could be asked to create visual artwork that communicates, through images, the ideas they get or the emotions they feel when they think about the following:

- What is their favourite thing about school meals?
- Why is nutritious and healthy food important?
- Why do they think school meals should be free?

Fantastic prizes to be won for artists, schools and youth organisations

There are 44 fantastic prizes to be won by the winning artists and their supporting schools or youth organisations in each of four age categories (i) 8 and under, (ii) 9 to 11, (iii) 12 to 14, and (iv) 15 to 19*

- 32 young artists can win gift vouchers worth between £50 and £500.
- 12 supporting schools or youth organisations can win educational materials worth between £250 and £1000.

The winning artwork will also be showcased in an Art Gallery.
