BLOOD TRANSFUSION BRANCH

Blood Transfusion Branch AGM 2026

It's about You, Your Branch, Your Say and Your Vote

Our Branch AGM is the single most important meeting of the year. Every year UNISON requires its branch officers and stewards to stand for re-election. The AGM is your opportunity to have a say in how the branch is run and who will represent you in 2026

It is also a great opportunity to meet with other members and UNISON stewards and to find out how UNISON has been active on your behalf during the year.

If you would like to become more active in UNISON: Representing your colleagues or becoming involved in solidarity or welfare work, please contact your branch.

AGM MEETING DATES 2025

Tuesday 3rd March

BTS HQ Library

2pm

Further meetings will be arranged closer to the time for Omagh & Belfast teams once sessions are booked.

**NO LOW PAY IN NHS PAY
ONLY BETTER PAY WILL DO**

AFC Pay Campaign 2024/25

UNISON has continued to lead the way across health unions in pressing for Agenda for Change pay uplifts in NI. Following the announcement of the Pay Review Body (PRB) recommendations for 2024/25 in July 2024, UNISON pursued their full implementation in NI against the context of a funding crisis across health and social care. In December 2024 we secured a commitment in relation to AFC pay in NI for 2024/25 to maintain pay parity with England, but with payment in two phases, reflecting the financial constraints on the health budget. Following the PRB recommendations in May, the Health Minister stated that he had begun a process to secure the funding required to implement the 3.6% pay uplift by issuing a Ministerial direction that the pay uplift be approved without delay. It was made clear to the Minister that delays in securing funding for a pay uplift are unacceptable to our members, particularly considering that it took until March 2025 for the 2024/25 pay uplift to be put in place.

Following NHS workers in England receiving the recommended 3.6% pay uplift in August, we made clear that the link to pay parity was broken. Through continued negotiation with the Health Minister and Executive to maintain pay parity with England the minister confirmed in November that the Department will proceed to put in place the consolidated 3.6% pay uplift and fully backdated to the 1st April 2025. The Department has stated this will be paid in February 2026. However UNISON remains absolutely clear that much more needs done to tackle the problem of low pay. UNISON will hold the Minister, Department and employers to account if they do not move forward to address the serious problems of low pay. UNISON is demanding that progress be made to implement the Real Living Wage and to ensure pay is prioritised in the 2026/2027 budget. The unacceptable cycle of delay in putting right for the workforce cannot be allowed to continue any longer.

Our UNISON 'Free School Meals for All' campaign is a further important intervention aimed at reducing poverty for our members and their families. The Free School Meals Campaign has continued with the restoration of the Executive and Assembly. We are demanding universal free school meal provision for all children and young people.

The campaign objectives are:

- to seek universal, nutritious, free schools meals for all pupils to both reduce poverty and improve public health,
- to safeguard and promote the vital work of our members within schools catering - school meals should be publicly provided,
- to build support for the implementation of a public health model across Government that is aimed at dealing with health and educational inequalities.
