

# UNISON 2025 AGM NEWSLETTER

## Derry Education Branch

### Derry Education Branch AGM 2025

It's about You, Your Branch, Your Say and Your Vote. Our Branch AGM is the single most important meeting of the year. Every year UNISON requires its branch officers and stewards to stand for re-election. The AGM is your opportunity to have a say in how the branch is run and who will represent you in 2025. Please come along and bring a work colleague. It will still be a great opportunity to meet with other members and UNISON stewards and to find out how UNISON has been active on your behalf during the year. If you would like to become more active in UNISON: Representing your colleagues or becoming involved in solidarity or welfare work, please contact your branch.

**NJC pay award must  
protect us against cost of  
living pressures**

Throughout this year our members working for the Education Authority (EA) have kept up significant pressure through industrial action, full strike and action short of strike, in pursuit of pay improvement. The first stage of the pay and grading review has been completed. Staff have been assimilated to new pay points and all staff in post on 1st April 2024 will receive £2550 pro rata in April 2025. Work continues to fix the issue of the pay differentials between supervisors and support staff along with a review of Classroom Assistant roles and their contractual terms, and a review of Catering structures and services.

NJC pay 2024: Agreement has been reached on the new NJC rates for 2024/25. Workers (up to point 43 on the pay scale), will receive a £1,290 pro rata increase on each pay point covering the period 1 April 2024 to 31 March 2025. Those workers above point 43 will receive a 2.5% increase in their pay. At this point in time we await confirmation from the EA when staff will be paid their new rates and backdated pay.

Throughout 2024, our bargaining team continued working to protect and secure employment rights and health and safety standards for our members who work as classroom assistants, and in school transport, cleaning, catering, estates and youth services. Our lay team participates directly in all the EA bargaining directorates - operational services (estates, catering, cleaning, transport); children & young people's services; education (curriculum and services); finance and HR.

## Integrated and Voluntary Grammar Schools

Our key goal is to secure a regional negotiating forum for UNISON members on their pay, terms and conditions. This will require Ministerial support and policy direction from the Department.

We have been successful in including funding for members in these schools so they can receive the benefits of the pay and grading review deal. As they are all individual employers we have launched a strategy to mobilise members in each school to pursue these benefits.

## UNISON is the largest union for Support Workers

Throughout 2024, our bargaining team continued working to protect and secure employment rights and health and safety standards for our members who work as classroom assistants, and in school transport, cleaning, catering, estates and youth services.

Contentious issues that remain include:

- development of the new EA payroll EA1;
- issues for those on retainer fees during the summer period;
- after school clubs and payment rates;
- the need for a framework recognition agreement with Voluntary Grammar schools and the ever growing integrated sector (all individual employers);
- growing concern around resources for EA youth services;
- implication of the Brazil judgement on the calculation of annual leave for term time workers.
