DOWN LISBURN BRANCH AGM 2024

It's about You, Your Branch, Your Say and Your Vote

Our Branch AGM is the single most important meeting of the year. Every year, UNISON requires its branch officers and stewards to stand for re-election. The AGM is your opportunity to have a say in how the branch is run and who will represent you in 2024.

It is also a great opportunity to meet with other members and UNISON stewards and to find out how UNISON has been active on your behalf during the year. This year the AGMs will take place online and in person to make them more accessible to all members.

Industrial Action News

On Thursday 21st and Friday 22nd of September during a period of 48 hours ambulance crews, nurses, health care assistants, pharmacists, radiographers, porters, admin and technical staff, cleaners and catering staff took strike action. Payroll staff took action for a shorter period to ensure their co-workers received their pay on time - a decision highly commended by their union colleagues.

UNISON members in the health service are fed up with the current impasse in their just pursuit of pay parity. They have decided not to remain silent as politicians dither and delay a resolution of their political differences. They have resolved to continue demanding that the Secretary of State use his powers of economic governance to include funding for the restoration of pay parity.

NHS workers in England and Wales had their pay uplift since April this year. Why should health staff in Northern Ireland have to wait? No amount of finger pointing at local politicians justifies this appalling situation.

UNISON members have no intention of staying silent or just putting up with it.

Our members across the branch out on the picket lines!

Branch News

The Branch over this past year has been extremely busy. Particularly with our Industrial Action and action short of strike over the lack of a pay offer for health staff in NI. We negotiated around derogations for critical services to ensure safe cover for certain areas with good outcomes for our members. We have successfully brought South Eastern Trust to the table in regards to fixing the issue of 13.9 & 14.4 with a further update to come in December. The branch wishes to thank every member who has supported the Industrial Action and ASOS. We as a branch are proud to stand shoulder to shoulder with you the members. The fight still continues we will not be treated as fourth-class citizens.

Even though we are in a period of industrial action we have continued with negotiations and meetings where there would be a positive outcome for members. There has been several Health and Safety issues where reps have been in negotiations with Risk Assessments and guidance on effective resolutions.

We continue to work on the Pay Max strategy on Agenda for Change. We have successfully had hundreds of members rebanded across the South Eastern Trust including Estates, ICT trainers and Security. We continue to work with other occupations using the AFC job evaluation process.

We Need More Reps!

If you would like to become more active in UNISON: Representing your colleagues or becoming involved in solidarity or welfare work, please contact your branch. Full training and support will be provided.
